Hallo – Guten Tag – Servus – Grüezi!

This course is aimed at true beginners: Learn how to greet people, give basic personal and family information, discuss your hobbies and your housing situation, talk about your clothing and food preferences, and find out how to make small talk about the weather. Discover how punctual the Germans really are, and whether they truly eat sauerkraut and sausage all the time!

Classes meet three times a week, and we are offering sections at 10AM, 11AM, 12PM, and 1PM in the fall!

If you are not sure if this is the right course for you, contact Dr. Viktoria Harms, v.harms@pitt.edu.
