

GER 1350: German Drama

Dr. Anita Lukic

Spring 2021

MoWe 5:00pm – 6:15pm

Analyze, adapt, and perform

Die Dreigroschenoper!

In this satire by the German playwright Bertolt Brecht, cops and criminals are friends, and justice goes to the highest bidder! Together we'll explore Brecht's critique of modern society and its relevance for us today. All readings and discussions will be in German. This course will culminate in a final performance (on campus or over Zoom), and therefore fulfills the Gen Ed requirement in creative work.
